This student resource book grant was initiated by the members of the Descendants of Ukrainian Canadian Internee Victims Association (DUCIVA) to foster an understanding of the impact had on Ukrainian families after they were classified as enemy aliens. This project will give students and teachers a comprehensive understanding of the internment of Ukrainians and other Europeans during Canada's first national internment operations of 1914 to 1920. *Prisoners of Prejudice* is being distributed to every high school in Alberta.
