Canada's Historical Immigration Gateway**

The Paul Yuzyk Institute for Youth Leadership (PYL), an affiliate of the Ukrainian National Federation of Canada (UNF) and the Ukrainian National Youth Federation of Canada (UNYF), invites high school and university age students to participate in an exciting five day exploration of the Ukrainian experience in Nova Scotia in a comparative context of the First Nation, Black, and Acadian communities. This multi-faceted educational excursion includes visits to Canada's Immigration Museum at Pier 21 which served as our country's immigration gateway between 1920 and 1970, and the UNESCO Heritage Site of Lunenburg. Share cultural experiences with First Nation students at a Mik'maq school, try your hand at playing African drums, and pray in the only Ukrainian church east of Montreal. Explore the parallel histories of the Acadians and the Ukrainians of Zakerzonnia, and the history of Cape Breton's coal mining industry in which generations of Ukrainians toiled. Gain cross-cultural perspective through a comparative Ukrainian-Celtic-Mik'maq workshop at Cape Breton University facilitated by leading ethnologists in the field. The program will provide opportunities to reflect on issues such as racism, intercultural solidarity, challenges faced by contemporary immigrants, and the challenges different cultural communities share in maintaining their heritage. Leadership development exercises in the areas of individual skill building, our multicultural reality and the role of Ukrainian Canadians, and the role of government in the life of Canadians, are interwoven throughout the program. Conducted bilingually in Ukrainian and English, the program is based on learning objectives developed by professional educators.

The excursion group will be chaperoned by responsible adults from the sponsoring organization. Participants must agree to abide by the excursion code of conduct and, in the case of participants under 18, obtain the consent of their parent/guardian. All-inclusive registration including air/train/bus fare, program, local transportation, food, lodging, and admissions is \$750 to be paid in full by October 21, 2011. Any out of province medical coverage or other insurance is the responsibility of the participant or her/his family. Enrollment is limited to 20 participants, and PYL reserves the right to select successful applicants. Participants need not be UNYF/ UNF members.

### The Ukrainian Pier 21 Experience in Intercultural Perspective

**The Learning Objectives** of this educational excursion are focused on three major leadership oriented themes: strengthening leadership abilities, understanding Canada's multicultural reality and the role of the Ukrainian Canadian community, and a greater appreciation of the role of government in the lives of Canadians.

**Strengthening the leadership abilities** of the participants will include: improving communication and engagement through interchanges with local community leaders (Cape Breton Miners Museum); understanding roles and responsibilities of community organizers (communities and churches in Sydney); and exploring the tools and processes for successfully planning and organizing events (Lunenburg UNESCO Heritage site).

**Increasing participants understanding of the multicultural reality and the role of the Ukrainian Canadian community** will include: introduction to 120 years of Ukrainian settlement in Canada with a focus on Ukrainians in Halifax, Ukrainian Immigrant Monument); an overview of multiculturalism in Canada (the policy and law, and the role of the "Father of multiculturalism" - Senator Paul Yuzyk of Ukrainian heritage); and an overview of the current different perceptions of minority rights, communities in distress and multiculturalism (Cape Breton University and a cross cultural workshop).

**Improving the understanding of the role of government in the life of Canadians** will include: a review of the role of Nova Scotia and the Atlantic provinces in establishing a constitution which divided powers between the government of Canada (Ottawa) and the provinces (Acadian story and the Fortress of Louisburg); the roles of Ottawa in immigration (Pier 21, Black Cultural Center) and the provinces in immigrant settlement; and the role of governments in cultural and heritage retention (education and the Mik'maq School).

#### About the Paul Yuzyk Institute for Youth Leadership (PYI)

Founded in 2009 by the Ukrainian National Federation of Canada (UNF) and the Ukrainian National Youth Federation of Canada (UNYF), PYI takes its inspiration from the life's work of Senator Paul Yuzyk (1913-1986). A Canadian Parliamentarian, Academic, Ukrainian Canadian Community Leader, and

Founder of the UNYF, he persevered through the economic hardship and ethnic discrimination of his youth to pioneer the official recognition in 1971 of Canada as a multicultural country. The goal of PYI are to train future generations of Canadian community leaders consistent with the vision of its founders.

#### About the Ukrainian National Federation of Canada (UNF)

The UNF was founded in Edmonton in 1932 to unite Ukrainian Canadians on a non-sectarian basis to preserve the Ukrainian language and culture, promote good citizenship, and support the establishment of a free Ukraine.

Among the UNF's important contributions are pioneering Ukrainian dance and chorals ensembles across Canada in the 1930's; combating totalitarian communism in Canada in the pre-War period; participation of its youth members in the Canadian war effort during WWII; youth leadership and cultural educational courses in the post war era, and the promotion of the vision of Canada as a multicultural country in the 1960's.

The UNF works together with branches of its affiliated organizations the Ukrainian Womens Organization of Canada, the Ukrainian War Veterans Association, and the Ukrainian National Youth Federation, in Vancouver, Vernon, Edmonton, Regina, Saskatoon, Winnipeg, Thunder Bay, Sudbury, Windsor, Hamilton, St. Catharines, Toronto, Oshawa, Ottawa-Gatineau and Montreal. The UNF's newest undertaking is the development of the Paul Yuzyk Institute for Youth Leadership.

#### About the Ukrainian National Youth Federation of Canada (UNYF)

The UNYF is a non-sectarian and non-partisan organization founded in Saskatoon in 1934 through the efforts of youth, students, and young teachers like UNYF's first President, Paul Yuzyk. The

organization's credo is:

Faith in Principles of Christianity, Faith in Canada, Faith in Dignity of the Individual, Faith in Cultural Traditions, Faith in Democracy, Faith in the Liberty of All Peoples, and Faith in the Liberty of Ukraine

UNYF Branches across Canada are a place for youth from ages 14-30 to share ideas, socialize, and organize activities dedicated to preserving Ukrainian Canadian heritage, strengthening the community, promoting good citizenship within a multicultural Canadian society, and supporting a free and democratic Ukraine.

One of the UNYF's recent initiatives was the formation, with the UNF, of the Paul Yuzyk Institute for Youth Leadership.
