

ST. JOHN'S INSTITUTE PRE-READING WEEK REVELRY!

FRIDAY, FEBRUARY 17 – MONDAY, FEBRUARY 20, 2012

ATTENTION ALL CYMK MEMBERS:

You are invited to join participants of the annual cross-Canada Institutes Exchange, in a pre-Reading Week weekend of fun and frolicking!

Between Friday, February 17 and Monday, February 20, approximately 30 university and college students from across Canada (from our sister institutes in Toronto, Saskatoon and Winnipeg) will descend on St. John's Institute in Edmonton for a truly fabulous weekend. Join us for program highlights that include:

- ✓ Room and meals for the weekend at St. John's Institute (subject to availability)
- ✓ Themed movie night
- ✓ Ice breakers and team activities
- ✓ Bus tour of significant cultural sites and monuments in Edmonton
- ✓ A day at West Edmonton Mall including admission to the World Waterpark and much more
- ✓ A true Ukrainian feast, prepared and served by, and shared with, fellow exchange participants and community members
- ✓ A special SUNDAY NIGHT show by ATOMIC IMPROV: celebrity stand-up comics Donovan Workun and Chris Craddock
- ✓ Zabava and Pub Night, with special guest Vincent Rees and TANETS' HOUSE
- ✓ Participation in Edmonton's Silver Skate Festival, including public performances, stilt-walking, tobogganing, horse-drawn sleigh rides
- ✓ Hockey Game at Rexall Place: Edmonton Oil Kings vs. Medicine Hat
- ✓ Bus transportation and meals included for all activities.

All participants are welcome to stay at St. John's Institute for the entire weekend (subject to availability); however, it's not necessary to do so – you can still participate in all the activities, without staying over. The full program is available at the cost of \$100/person (subsidized by St. John's Institute and the SJI Students Union). Alternatively, guests may select specific activities in which they would like to take part, and pay only for the costs of those activities.
