

## Promoting Ukrainian national interests for 45 years

### *Support the Ukrainian World Congress 2012 May Appeal*

**We believe** that all Ukrainians should be:

- guaranteed full protection of their human rights and fundamental freedoms;
- afforded the opportunity to celebrate the Ukrainian culture;
- ensured access to Ukrainian language education.

**We believe** that the global Ukrainian community must continue to:

- uphold Ukraine's independence;
- promote the democratization of Ukraine; and
- encourage Ukraine's full integration into the European community.

**The Ukrainian World Congress (UWC):**

- actively promotes the development of Ukrainian communities around the world;
- bridges the link to Ukraine;
- engages international world leaders in advancing the Ukrainian cause for the benefit of our nation.

**Our successes**

- UWC realized a strategic campaign to raise awareness of human rights violations and the deterioration of democracy in Ukraine among international political leaders.
- UWC actively promoted the initialing of the EU-Ukraine Association Agreement on March 30, 2012 during meetings between the UWC President and high-ranking officials of the European Union and countries which are home to the Ukrainian diaspora, in an address to the EU-Ukraine Parliamentary Cooperation Committee and written statements.
- UWC's intervention and support of the efforts of the Association of Ukrainians in Poland prevented the closing of a Ukrainian-language elementary school in Mokre, Poland.
- An agreement of cooperation between UWC and 5 Kanal (Channel 5) in Ukraine launched a weekly television news journal about the Ukrainian diaspora.
- The successful international youth forum *Kyiv - 2011*, organized by the UWC's Conference of Ukrainian Youth Organizations, brought together youth from 30 countries.

**We believe** that our national values continue to bind us.
