Calgary will again join together to sing these amazing words - as a community!  
During this Advent season, all the anticipation builds!

***Singing together brings such Merriment, Peace and Joy!***

The Ukrainian Canadian Congress, Calgary Branch is inviting all of Calgary's Ukrainian Community to join in the angelic songs at Calgary's Annual Ukrainian Christmas Festival. Light of the tree and the joyous singing celebration will take place at St Stephen Protomartyr Church at 7pm in the evening. Families, children choirs and smaller ensembles from the great city of Calgary will join and sing for the Holy Babe, for the nativity of Christ.

Make sure you put the date on your calendar and bring the entire family for this warm, generous evening of Ukrainian Christmas Carols.
