(Minister of.....)

Dear first and last name,

On behalf of the Ukrainian Canadian Community, we would like to bring to your attention the list of artists and performers from the Russian Federation, who have openly supported Mr. Putin's military aggression and incursion in Crimea, Ukraine, as well as annexation of Crimea. The list was published on 24 March 2014 on the official website of the Ministry of Culture of the Russian Federation: <http://mkrf.ru/press-tsentr/novosti/ministerstvo/deyateli-kultury-rossii-v-podderzhku-pozitsii-prezidenta-po-ukraine-i-krymu>

Some of these artists are scheduled to perform in Canada. As the Ukrainian Canadian community that cherishes Canadian values of peace, order and good governance, we do not believe that individuals, who openly support military aggression against another country, should be allowed to enter Canada and propagate their views on stage. The world should know that if anyone, who supports Mr. Putin's aggressive regime that promotes violence in Ukraine and Crimea, he/she will not be allowed to make money in Canada and support that regime with money earned in Canada. Moreover, we are convinced that these artists and performers will be ridiculing Canada and excite their fans for the position Canada took in this conflict, thereby provoking them to carry out provocations and mischief against Canada.

On behalf of all Canadians, who love our freedom, independence, integrity of our country, we ask you to implement travel bans on the artists and performers from the Russian Federation.

We ask you to expedite the travel bans because on 9 May 2014 Mr. V. Spivakov is scheduled to perform in Canada (<http://torontovka.com/afisha/event/2958/>). Mr. V. Spivakov is number 404 on the list.

Sincerely,
