KEEP A SOLDIER WARM FOR CHRISTMAS

50,000 Ukrainian soldiers are defending Freedom against Russian soldiers in the Donbas.

Only about 8,000 sleep out of the freezing cold.

The rest spend each night fighting subzero temperatures day-in and day-out while fending off Russian incursions and artillery strikes.

Let one more soldier sleep warmly this evening so that he's ready to stand at the front tomorrow.

The Ukrainian Freedom Fund are working together to match donors with soldiers. Please donate \$100 to allow us to buy and deliver sleeping bags to our soldiers serving in Donetsk or Luhansk.

Please donate \$100 today at www.ukrfreedomfund.org or via US-Ukraine Foundation at www.usukraine.org (ANNOTATE "FOR UFF SB")
