#### Candidate Information:

**Name of Candidate: Justin Kulik**

**Constituency: Kelowna-Lake Country**

**Political Party: NDP**

#### 1. Strengthening Canada-Ukraine Security Relations

a) Do you condemn Russia's invasion of Ukraine and illegal occupation of Crimea and parts of Donetsk and Luhansk oblasts?

- Yes and we have called on the Liberal government to extend Operation UNIFIER, which has been instrumental in assisting Ukraine and sending a strong statement to Russia that we will not tolerate any actions against the territorial integrity of Ukraine.

- We would also be open to using stronger multilateral, targeted sanctions to address Russia's malign behavior, including Magnitsky Act sanctions against Russian officials when appropriate.

b) Do you support Canada providing Ukraine with defensive weapons, increased security cooperation between Canada and Ukraine, and increased Canadian sanctions on Russia in response to Russia's invasion of Ukraine?

- Canada should demonstrate its support for Ukraine and for reform and anti-corruption efforts in Ukraine by renewing and expanding its assistance programs and establishing visa-free entrance to Canada for Ukrainians. Sending lethal weapons risks escalation of the conflict and would do nothing to alter the strategic balance in the region.

## **2. Supporting Democratic and Economic Reform in Ukraine**

a) Do you support increased Canadian international assistance for Ukraine, including increased humanitarian assistance and increased support for consolidating Ukraine's democratic institutions?

- Canada should continue to support Ukraine and the Ukrainian people with economic, diplomatic, and political support as it consolidates its democracy. Canada should, at the very least, extend existing international assistance funding. A New Democrat government is committed to boosting Canada's international development assistance, with the goal of contributing 0.7 percent of our Gross National Income to international aid.
- Canada should do as much as possible to meet the humanitarian needs of all Ukrainians who have borne the brunt of armed conflict. Canada should extend existing aid.

## **3. Ensuring Security and Dignity for Seniors**

a) Do you support increased investment to ensure affordable care for seniors and increased cooperation with ethno-cultural organizations and institutions who provide care to seniors?

- Seniors deserve a retirement that's financially secure and dignified. We will lead a National Seniors Strategy that will work with the provinces, territories, and Indigenous governments to make seniors health care a priority, reduce isolation, and tackle seniors' poverty.
- Yes an NDP government commits to increased cooperation and consultation with ethno-cultural organizations and institutions who provide care to seniors
- In order to help make life a little more affordable for caregivers, who are overwhelmingly women, we'll make the Canada Caregiver Tax Credit refundable. This will provide thousands of dollars to the most low-income caregivers, many of whom have given up work completely to care for a loved one.

## **4. Welcoming Newcomers to Canada**

a) Do you support increasing assistance and cooperation with ethno-cultural, community-based settlement services for newcomers?

- Yes. People are struggling to get work in their field of expertise, causing stress for their families as they struggle to make ends meet and to fulfill their potential. We will expand access to services, especially language training (LINC), and expand youth programs and mentorship opportunities for settlement and services.

b) Do you support visa-free travel to Ukrainian citizens visiting Canada?

- Yes, and we have called on the current government repeatedly to take this step.

## **5. Helping our Culture Flourish**

Historical recognition –

- a) Do you support the recognition of the Deportation of the Crimean Tatar People (Sürgünlük) by the Soviet regime in 1944 as an act of Genocide? Do you support establishing May 18 as the annual Day of Remembrance of the Genocide of the Crimean Tatar People?
- We should always condemn mass-atrocity crimes, and remember the victims of these horrific crimes, and these include genocide, ethnic cleansing, war crimes, and crimes against humanity.

b) Do you support the establishment of October 28 as the annual Day of Commemoration of Canada's First National Internment Operations?

- We support this idea.

c) Do you support increasing funding to multicultural programming in Canada?

- yes

d) Do you support increasing government assistance to heritage language programming in Canada?

- Yes

## **6. Fighting Online Hate and Disinformation**

a) Do you support increased measures to eliminate online hate and disinformation campaigns from social media?

- Anti-Semitism, anti-Black racism, Islamophobia, and other forms of hate are too often allowed to flourish on the internet. A New Democrat government will convene a national working group to counter online hate and protect public safety, and make sure that social media platforms are responsible for removing hateful and extremist content before it can do harm.
