

My name is Wayne James, the candidate for, Selkirk Interlake Eastman, and I am running with the support and backing of the Green party of Canada.

Let me first say that I believe and strongly support the United Nations charter on human rights which begins with the words, "whereas the recognition of the inheritance dignity and the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world".

Should we as people and countries adopt and support these words I feel we would all be a lot better off.
