ТРИРІЧНИЙ ЗВІТ
THREE YEAR REPORT

Ukrainian Canadian Congress

Конгрес Українців Канади
Congrès des Ukrainien-Canadiens

Who We Are

The Ukrainian Canadian Congress (UCC) bring together under one umbrella all the national, provincial, and local Ukrainian Canadian organizations. Together with its member organizations, the UCC has been leading, coordinating, and representing the interests of one of Canada's largest ethnic communities (1.3 million) for 75 years. The UCC has six provincial councils, sixteen local branches, and over 30 national member organizations.

What We Do

We work tirelessly on issues of importance to our community – Holodomor Education, the continued recognition of Canada's First World War Internment Operations, the Memorial to the Victims of Communism, the Canadian Museum for Human Rights, Ukrainian language schools, cultural programs and community development. We foster a strong connection between Canada and Ukraine, be it government to government or people to people. Through the UCC's Ukraine Appeal, we are coordinating the assistance our community is providing to Ukraine.

UCC Engage-Inspire-Empower

For 75 years, the Ukrainian Canadian Congress (UCC) has been the voice of the 1.3 million-strong Ukrainian community in Canada. It has provided outstanding leadership, coordination and advocacy on behalf of our community organizations and all Ukrainian Canadians. By focusing on grass-roots capacity building and engagement, UCC has helped keep the community strong and united.

Over the past three years, the UCC together with our member organizations have been providing tremendous assistance to the people of Ukraine. First in early 2014 as they fought for their human dignity against the authoritarian regime of Victor Yanukovich, and over past two-and-a-half years as they defended their lives and freedoms against Russia's war against Ukraine. This on-going war has to-date cost the lives of over 9,000 people, tens of thousands of wounded and over 1.5M displaced people, in addition to inflicting enormous psychological, economic and territorial damage. UCC was at the forefront of ensuring the international community ostracized and punished Russia for its murderous and illegal actions by ensuring they were excluded from international organizations like the G8 and its financiers suffered sanctions and visa restrictions. At the same time our community together with the Canadian government were providing Ukraine with military, humanitarian, and economic assistance. We were recognized for this work by being declared persona non grata and banned from Russia, and named by Embassy Magazine as one of the top 100 people (#20) influencing Canada's global future.

We will continue our persistent and resolute efforts to support the Ukrainian people until, God willing, peace returns to Ukraine. Our efforts to assist Ukraine have reinvigorated our community, and brought many new, talented and imaginative volunteers to our organizations. We have also continued our work on many important initiatives of importance to our community here at home – the continued recognition and commemoration of the Holodomor and Canada's First National Internment Operations (1914-1920), our Ukrainian language schools, cultural programs, youth engagement, community development, the Tribute to Liberty Memorial to the Victims of Communism and the Canadian Museum for Human Rights, to name but a few.

In October 2015, Canadians elected a new Government. The UCC has been working with Prime Minister Justin Trudeau, his Ministers and all Parliamentarians to ensure continued commitment to supporting Ukraine and opposing Russia's aggression. We are pleased that Prime Minister Trudeau has committed to a new chapter of continued cooperation between Canada and Ukraine, which was demonstrated by his recent visit to Ukraine with the participation of a sizeable UCC delegation. We were invited by the Prime Minister to witness the signing of the historic Canada Ukraine Free Trade Agreement by Minister Chrystia Freeland and First Deputy Prime Minister Stepan Kubiw, and to ensure it becomes mutually beneficial for both our countries.

I would like to sincerely thank and recognize former Prime Minister Stephen Harper, his Cabinet and all Parliamentarians for their service to our country and for their strong support of Ukraine and the Ukrainian Canadian community. The leadership of Prime Minister Harper during the Maidan Revolution of Human Dignity and Russia's invasion of Ukraine was recently recognized by Ukraine's President Poroshenko by awarding him with the Order of Liberty (highest award of Ukraine) as well as Orders of Merit to Hon. Jason Kenney and Hon. John Baird.

In 2016, we are celebrating the 125th anniversary of Ukrainian immigration to Canada. A series of wonderful events, projects and programs have taken place across the country. They included the unveiling of a commemorative plaque and exhibition at the Pier21 Immigration Museum in Halifax, many festivals, concerts and celebrations across Canada, culminating in Regina, during the XXVth Congress of Ukrainian Canadians.

This year, the UCC celebrates its 75th anniversary. Visiting our communities across Canada for these celebrations, I am continually inspired by the dedication and hard work of our many volunteers and organizations. It is thanks to their tireless efforts and commitment to unity that the UCC is able to succeed in its mandate of serving our community.

Looking to the future, we must continue to focus on youth development and engagement. Focusing on our youth ensures the sustainability and future success of both the UCC and our community for coming generations.

Our ongoing Cradle-to-Grave Initiative provides valuable services to our community, focusing particularly on new immigrants and smaller Ukrainian Canadian centres. I am very pleased that we have opened a new branch in Halifax-Dartmouth, and are working on rejuvenating older communities and building new ones where they never existed in cities and towns across Canada.

The celebrations of the 150th Anniversary of Canada's Confederation are fast approaching – during these festivities in 2017 we will pay tribute to Ukrainian Canadians as a founding people, who helped shape Canada and its values.

In order to support all the important initiatives undertaken by the UCC's National Committees, Councils and Branches, we must significantly increase our donations and build an endowment to support our community for future generations.

Thank you to our member organizations for their cooperation and hard work providing valuable services to our community; to the thousands of volunteers who contribute countless hours serving the interests of our community; and to our donors, whose generous contributions support the work we do.

I sincerely thank our Board of Directors, Committees responsible for much of our programming, and our Executive Committee, all of whom have demonstrated boundless energy, patience and devotion, and for whose service I am truly grateful. A sincere thanks to members of UCC's Advisory Council, chaired by James Temerty, C.M. and UCC's Ukraine Advisory Council, chaired by Olena Koszarny, who have provided a wealth of knowledge and support especially during these very challenging times. Significant recognition must be given to our past Executive Director Taras Zalusky, Interim Executive Director Olya Grod and Sr. Policy Advisor Orest Zakydalsky for their 24/7 work ethic and commitment to our community. I look forward to continuing to work with our talented staff, including our new Chief Executive Officer Ihor Michalchyshyn, who has recently taken over the helm at UCC National. Ihor brings a wealth of experience in public policy, strategic planning and community organizing to the UCC. I am confident that Ihor will play a key role in successfully leading our community.

It is a true honour and privilege to serve our community, Canada, and Ukraine. As special thank you to my wife Adrianna, and our children Roman, Danylo, Larysa and Olena as well as my business partner Borys Chartchenko for their support and all of the sacrifices they have made to assist me in leading the community.

Slava Ukraini! Slava Kanadi!

Paul Grod
UCC President

CUC – Engagement - inspiration - empowerment

Depuis 75 ans, le Congrès des Ukrainiens-canadiens (CUC) s'est fait la voix d'une communauté forte d'1,3 million d'Ukrainiens au Canada. Au nom de nos membres et de tous les Ukrainiens-canadiens, nous avons exercé un excellent leadership et une remarquable coordination et promotion de nos intérêts. Guidés par la voie du consensus, nous faisons en sorte que notre communauté reste forte et unie. En nous concentrant sur notre base, nous nous assurons que les intérêts de notre communauté soient bien servis et représentés.

Au cours de ces deux ans et demi, la Russie a mené une guerre d'agression brutale contre l'Ukraine, et la plupart de nos efforts ont visé à soutenir le peuple ukrainien dans la défense de ses libertés et de son indépendance. C'est avec détermination, résolution et unie par le même objectif que notre communauté et le CUC ont répondu à l'appel à venir en aide à nos frères et sœurs en Ukraine. Nous poursuivrons avec acharnement nos efforts constants en vue de soutenir le peuple ukrainien jusqu'à ce que, si Dieu le veut, la paix revienne en Ukraine.

Nos efforts pour aider l'Ukraine ont revigoré notre communauté et de nombreux volontaires aussi talentueux qu'imaginatifs se sont ralliés à nos organisations et structures. Nous avons également poursuivi notre travail sur de nombreuses initiatives de première importance pour notre communauté ici, au Canada : la reconnaissance et la commémoration continues de Holodomor et des premières opérations d'internement du Canada (1914-1920), nos écoles en langue ukrainienne, des programmes culturels, l'engagement de la jeunesse, le développement de notre communauté, l'Homage à la Liberté - monument commémorant les victimes du communisme, et le Musée canadien des droits de l'Homme.

En octobre 2015, les Canadiens ont élu un nouveau gouvernement. Le Premier ministre, Justin Trudeau et son gouvernement se sont fermement et ouvertement engagés à soutenir l'Ukraine contre l'agression de la Russie et ont fait montre d'une forte volonté de travailler en collaboration avec le CUC et notre communauté. Je remercie notre ancien Premier ministre, Stephen Harper, et son Cabinet pour le service qu'ils ont rendu à notre pays et leur vigoureux appui en faveur de l'Ukraine.

En 2016, nous fêtons le 125^{ème} anniversaire de l'immigration ukrainienne au Canada. Un kyrielle d'événements, de projets et programmes merveilleux se sont déroulés à travers le pays. Les célébrations connaîtront leur apogée ici, à Regina, au cours du XXVème Congrès.

Cette année, le CUC fête son 75^{ème} anniversaire. Au cours de mes déplacements à travers le Canada dans le cadre de ces festivités, j'ai trouvé dans le dévouement et le travail acharné de nos nombreux volontaires et organisations une source constante d'inspiration. C'est grâce à l'ardeur des efforts qu'ils déploient que le CUC est en mesure de mener à bien sa mission de servir notre communauté.

En envisageant l'avenir, il nous faut continuer à nous concentrer sur le développement et l'engagement de la jeunesse. C'est en nous concentrant sur les jeunes que nous pourrions assurer la pérennité et les succès futurs du CUC et de notre communauté pour les générations à venir.

Notre démarche actuelle « du berceau à la tombe » fournit de précieux services à notre communauté, en se focalisant tout particulièrement sur les nouveaux immigrants et les centres ukrainiens-canadiens de petite taille. Je suis particulièrement heureux que nous ayons ouvert une nouvelle succursale à Halifax-Dartmouth et que nous travaillions à établir d'autres succursales dans d'autres villes de petite et moyenne tailles à travers le Canada.

Les célébrations du 150^{ème} anniversaire de la Confédération du Canada approchent à grands pas ; lors de ces festivités en 2017, nous rendrons hommage aux Ukrainiens-canadiens en tant que personnalités fondatrices ayant contribué à façonner le Canada et ses valeurs.

Afin de soutenir toutes les initiatives de première importance qui ont été entreprises par les Comités Nationaux, les Conseils et les Succursales du CUC, nous devons accroître sensiblement les dons et constituer une dotation afin de soutenir notre communauté pour les générations à venir.

Un grand merci à notre communauté et ses organisations membres pour leur travail acharné permettant de mettre à disposition de précieux services à notre communauté, aux milliers de volontaires qui consacrent d'innombrables heures à servir les intérêts de notre communauté et à nos donateurs, dont les contributions généreuses soutiennent le travail que nous accomplissons.

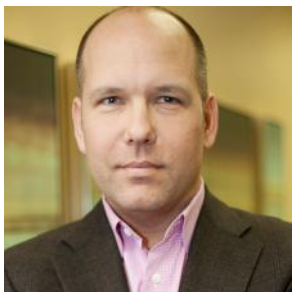

Je tiens sincèrement à remercier notre Conseil d'Administration et les Comités chargés de la majeure partie de notre programmation, ainsi que notre Comité de Direction ; tous ont fait preuve d'une énergie sans limite, d'une grande patience et d'une grande dévotion et je leur suis infiniment reconnaissant de leur travail.

Je souhaiterais remercier Taras Zalusky, qui a récemment quitté le CUC après 6 années en tant que Chef de la direction et PDG. Taras nous a laissé un CUC plus fort qu'il ne l'avait trouvé. Je lui souhaite le meilleur pour l'avenir et le remercie de son excellent travail et son exceptionnel dévouement. Merci à Olya Grod qui a su gérer avec succès et talent la transition directoriale du CUC en tant que Cheffe de la direction par intérim. Je souhaite la bienvenue à notre nouveau Chef de la direction et PDG, Ihor Michalchyshyn, qui apporte au CUC sa vaste expérience en politiques publiques, planification stratégique et organisation communautaire. J'ai la certitude que c'est avec compétence et succès qu'Ihor saura mettre en œuvre le plan stratégique du CUC et animer les activités quotidiennes de notre institution.

C'est un véritable honneur et un privilège pour moi de servir notre communauté, le Canada et l'Ukraine. Je voudrais remercier ma femme, Adrianna, et nos enfants, Roman, Danylo, Larysa et Olena pour leur soutien et tous les sacrifices qu'ils ont faits.

Paul Grod
Président du CUC

Конгрес Українців Канади – Долучайся, Надихай, Твори

Протягом 75-ти років Конгрес Українців Канади є рупором 1,3-мільйонної української громади в Канаді. Від імені наших громадських організацій та українців Канади, Конгрес здійснює ефективне керівництво й координацію, а також єднає нашу громаду. Пам'ятаючи про наше спільне минуле, Конгрес залучає громаду до спільної діяльності та розбудови, що й тримає її згуртованою та єдною.

Протягом останніх двох з половиною років Росія веде жорстоку війну проти України, тому наша діяльність спрямована на допомогу народу України у захисті свободи та незалежності. Наша громада та Конгрес з рішучою готовністю відгукнулися на прохання допомогти нашим братам і сестрам в Україні. Ми і надалі готові наполегливо та завзято працювати і прикладати рішучих зусиль, підтримуючи наших побратимів, допоки мир не повернеться назад в Україну.

Протягом останніх трьох років Конгрес разом із складовими організаціями надає величезну допомогу народу України. На початку 2014 року, коли українці боролися за людську гідність та проти авторитарного режиму Віктора Януковича, і протягом останніх двох з половиною років, коли вони захищали своє життя і свободи у війні з Росією. Ця війна забрала понад 9 тисяч людських життів, залишила десятки тисяч поранених, змусила понад 1,5 мільйона громадян стати переселенцями, а також завдала величезного психологічного, економічного та територіального збитку. Конгрес був на передовій міжнародної спільноти, яка піддала вигнанню та покаранню Росію за її смертоносні беззаконня, виключивши її із міжнародних організацій (таких як Велика Вісімка), та внісши її фінансистів до санкційних списків. Водночас наша громада разом із канадським урядом надавали Україні військову, гуманітарну та економічну допомогу. Внаслідок нашої діяльності, ми стали персоною non grata у Росії, а Embassy Magazine зарахував нас до сотні (#20) тих, хто найбільше впливає на глобальне майбутнє Канади.

Ми і надалі будемо невтомно, з рішучими зусиллями підтримувати Україну допоки мир та добробут не запанують у ній. Зусилля в допомозі Україні активізували нашу громаду, де нові талановиті та здібні волонтери поповнили ряди наших організацій. Ми далі продовжуємо нашу працю над суттєво важливими питаннями для нашої громади тут. Зокрема, це визнання та вшанування Голодомору, Інтернування українців в Канаді (1914-1920), українські мовні школи, культурні програми, залучення молоді, розвиток громади, Меморіал Жертвам Комунізму та Канадський Музей Прав Людини.

У жовтні 2015 року канадці обрали новий уряд. Конгрес Українців Канади співпрацює з Прем'єр Міністром Джастином Трюдо, міністрами та усіма парламентаріями, щоб забезпечити незмінну допомогу Україні та протиставлення агресії Росії. Ми задоволені, що Прем'єр міністр Трюдо зобов'язався до нового етапу у подальшій співпраці між Канадою та Україною, що і було продемонстровано його недавнім візитом в Україну та участю чималої делегації Конгресу у цьому візиті. На запрошення Прем'єр Міністра, ми стали свідками підписання історичної Угоди про вільну торгівлю між Канадою та Україною, що стане взаємовигідним документом для обидвох країн. З канадської сторони Угоду підписала Міністр Христя Фріланд, з української - перший заступник Прем'єр Міністра Степан Кубів.

Значне визнання та щиру подяку складаю колишньому Прем'єр Міністру Стівену Гарперу, його Кабінету та всім парламентаріям за їхню працю для нашої країни та за їх сильну підтримку України та українсько-канадської громади. Нещодавно Президент України Петро Порошенко нагородив Прем'єр Міністра Стівена Гарпера найвищою нагородою України - Орденом Свободи – за його участь у дні Майдану і протягом Революції Гідності та вторгнення Росії на територію України. Орденом За Заслуги були удостоєні Високоповажний Джейсон Кені та Високоповажний Джон Беард.

У 2016 році ми святкуємо 125-ліття української імміграції до Канади. У рамках святкувань низка чудових і пам'ятних подій, проектів та починань проходять по цілій країні. Це включає відкриття пам'ятної дошки і виставки у Музеї Імміграції П'єр 21 у Галіфаксі, різноманітні фестивалі, концерти та святкування, що проходять по цілій Канаді. Кульмінаційний момент цих святкувань припадає на XXV-ий Конгрес у Реджайна.

Цього року Конгрес відзначає своє 75-ліття. Відвідуючи наші громади з нагоди цих святкувань, я постійно черпаю натхнення від самовідданої праці наших волонтерів та організацій, де вони працюють. Саме завдяки їхнім невтомним зусиллям та їхньому прагненню до єдності Конгрес може домогтися успіхів у виконанні свого мандату служіння громаді.

Заглядаючи у майбутнє, ми повинні пам'ятати про участь нашої молоді у громаді та її розвитку. Цим самим ми забезпечуємо стійкість та майбутню успішну діяльність як і Конгресу так і нашої громади для наступних поколінь.

Наша ініціатива "Від Колиски до Могили" надає цінні послуги для нашої громади, особливо для новоприбулих членів та у менших українсько-канадських центрах. З приємністю зазначу, що ми відкрили новий відділ у Галіфаксі-Дартмут та працюємо над відновленням відділів у старших громадах і розбудові нових відділів в містах та інших посілостях українців по свій Канаді.

Протягом святкувань 150-річчя Конфедерації Канади у 2017 році ми вшануємо українських канадців, що допомагали будувати цю країну, розвивали та поширювали канадські цінності.

З метою підтримки всіх починань з ініціативи Національних комітетів Конгресу, Рад та Відділів ми повинні значно збільшити наші пожертви та створити фонд, який би підтримував нашу громаду на наступні покоління.

Дякую нашим складовим організаціям за їхнє співробітництво та невтомну працю; тисячам волонтерів, що присвячують незчисленні години праці на користь нашої громади; жертводавцям, які щедро підтримують нашу працю.

Я дуже дякую Раді Директорів, комітетам, які займаються програмами Конгресу, нашому Виконавчому Комітету і всім, хто з невичерпною енергією, терпеливістю та відданістю служить нашій громаді, за що я їм усім глибоко вдячний. Щиро дякую Дорадчій Раді Конгресу на чолі із Костянтином Темертеєм і Дорадчій Раді України Конгресу Українців Канади, очолюваній Оленою Кошарною, які є джерелом широких знань та підтримки, особливо в умовах цих складних випробувань. Своє шанування складаю нашому попередньому Виконавчому Директору Тарасові Залуському, тимчасово виконуючій обов'язки виконавчого директора Олі Грод та Старшому політичному аналітику Орестові Закидальському. Ціную їх ледь не цілодобову працю та відданість нашій громаді. Я і надалі готовий працювати з нашим талановитим колективом, в тому числі з Генеральним Директором Ігорем Михальчишиним, який недавно перебрав кермо Конгресу Українців Канади. Ігор збагатить нашу організацію багатющим досвідом у державній політиці, стратегічному плануванні, організації громади. Я впевнений, що Ігор буде успішно керувати нашою громадою.

Великою честю і привілеєм для мене є служіння нашій громаді, Канаді та Україні. Окрема подяка моїй дружині Адріані, нашим дітям Роману, Данилові, Ларисі та Оленці, а також моєму бізнесовому партнеру Борису Харченкові і за їхню підтримку та посвяту, яку вони надають, допомагаючи мені керувати нашою громадою.

Слава Україні! Слава Канаді!

Павло Грод
Президент Конгресу Українців Канади

MESSAGE FROM THE CEO

Наша громада може гордитися 75-річною працею Конгресу, де, служачи інтересам громади, Конгрес надає вмиле керівництвом, координацію та провід. Знаходячи консенсус та надаючи цінні послуги ми працюємо у цілях збереження нашої громади міцною та згуртованою.

Як новий Виконавчий Директор та Генеральний Директор я хочу подякувати моєму попереднику Тарасові Залуському за його багаторічну працю. Тарас надавав відмінне керівництво та професійні здібності управління організацією. Особливо варто відзначити його роль у відкритті Національного Офісу в Оттаві. Я теж хочу подякувати Олі Грод тимчасово виконуючої обов'язки Виконавчого Директора. Вона керувала амбітною програмою Конгресу протягом перехідного періоду, в тому числі підготовкою до Трирічного Конгресу.

Від імені всіх працівників Конгресу складаю щиросердечну подяку тисячам волонтерів по всій Канаді які служать та працюють на благо нашої громади.

Я сподіваюся на тісну співпрацю з усіма вами втілюючи в життя важливі починання, проекти та програми нашої громади у наступних роках.

Our community can be very proud of the 75 years that UCC has provided strong leadership, coordination and advocacy for the Ukrainian Canadian community. We work to keep our community strong and united by building consensus and providing valuable services.

As the incoming Executive Director and CEO it falls to me recognize and thank my predecessor Taras Zalusky for his many years of service. Taras provided excellent leadership, creativity and organizational management, particularly in establishing the National Office of UCC in Ottawa. I also want to thank and recognize Ms. Olya Grod who served as UCC's Interim Executive Director. She managed a very ambitious UCC agenda during the transition time, including preparation for our Triennial Congress.

This year we commemorate and celebrate the 125th anniversary of Ukrainian pioneer settlement in Canada. For 125 years, Ukrainians have been contributing to the essential fabric of Canadian life and culture. Celebrations of the 125th anniversary of Ukrainian immigration to Canada are being held throughout the country – dozens of festivals and events celebrating our Ukrainian Canadian culture and heritage from coast to coast.

On behalf of all UCC staff, a heartfelt thank-you to all the thousands of volunteers across Canada that contribute countless hours to serve our community.

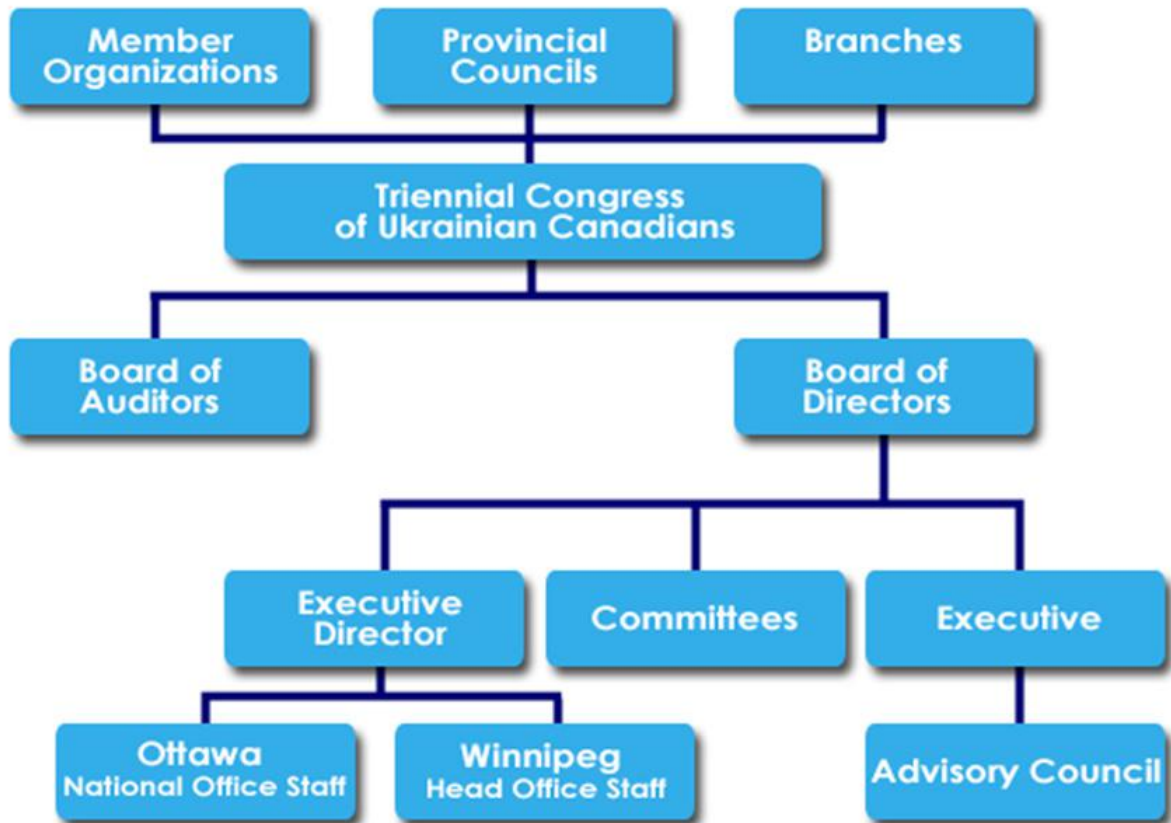

Notre communauté peut être très fière des 75 années durant lesquelles le CUC a fourni un leadership, une coordination et une promotion des intérêts de la communauté ukrainienne-canadienne de premier ordre. Nous œuvrons afin d'assurer que notre communauté reste forte et unie à travers la recherche du consensus et la mise à disposition de précieux services.

En tant que nouveau Chef de la direction et PDG, je voudrais remercier mon prédécesseur Taras Zalusky pour les nombreuses années qu'il a passées au service de cette institution. Taras a fait preuve d'un leadership, de créativité et d'un management organisationnel exceptionnels, en particulier en établissant un Bureau national du CUC à Ottawa. Je souhaiterais également remercier et saluer Mme Olya Grod, qui a assuré l'intérim en tant que Cheffe de la direction. Elle a assuré la gestion d'un agenda très ambitieux pour le CUC durant cette période de transition, dont la préparation de notre Congrès triennal.

Au nom de toutes les équipes du CUC, je voudrais adresser un grand merci à tous les milliers de volontaires à travers le Canada qui fournissent gracieusement d'innombrables heures au service de notre communauté.

Je me réjouis de travailler avec vous tous sur ces nombreuses initiatives, projets et programmes de premier plan pour notre communauté dans les années à venir.

Highlights of Activities & Accomplishments

2013-2016

UCC – the voice of Canada’s Ukrainian community

The Ukrainian Canadian Congress (UCC) brings together one of Canada’s largest ethnic communities (nearly 1.3 million according to the last census). With 35 national member organizations and provincial councils as well as 17 branches, UCC unifies all major Ukrainian Canadian organizations in Canada. The Congress has been coordinating and representing the interests of the Ukrainian Canadian community since 1941.

This year marks an important milestone for the Ukrainian Canadian community, which celebrates the 125th year since the first Ukrainian immigrants arrived in Canada; 75 years that the Ukrainian Canadian Congress has unified and represented the Canada’s Ukrainian community; and the 25th year of the renewed Independence of Ukraine.

Ukrainian Canadians are proud to be one of Canada’s founding peoples. Helping to settle Canada over the past 125 years, while overcoming discrimination and other hardships, Ukrainian Canadians were instrumental in shaping Canada and Canadian values such as Multiculturalism, tolerance, democracy, human rights and the rule of law. Canada is home to the second largest Ukrainian community outside of Ukraine.

UCC brings together hundreds of Ukrainian Canadian organizations that work in many various areas including youth, sport, religion, social, cultural, social services, immigrant resettlement, business, trade, and politics, among others.

The following are highlights of UCC’s activities since the last 2013 Triennial Congress held in Toronto.

Support for Ukraine

Euromaidan. Occupation of Crimea. Russia’s hybrid war against Ukraine.

Maidan – Revolution of Dignity

Shortly after the 24th Triennial Congress of Ukrainian Canadians (Nov 8-10, 2013), UCC launched a campaign to encourage Ukraine’s President Victor Yanukovich to sign the Ukraine-European Union Association Agreement for which the country had been preparing since 2008. UCC was concerned that Ukraine was quickly backsliding into its authoritarian past. UCC asked the Government of Canada to intervene. UCC’s President Paul Grod accompanied then Minister of Foreign Affairs John Baird to the Organization for Security and Co-operation in Europe (OSCE) Ministerial Council meeting in Kyiv (December 3-8, 2013). The mission came amid the Ukrainian government’s crackdown on mass protests against its decision to suspend negotiations with the European Union. These heavy-handed actions were of great concern, not only to Canada but to democracies around the world. Minister Baird together with Paul Grod met with Ukrainian authorities to express to them in no uncertain terms, that their actions do not live up to the democratic standards that the Ukrainian people deserve. They also met with opposition leaders and civil society representatives to show them Canada’s support. Grod and Baird participated in the Maidan rallies on Independence Square.

January/February 2014 – UCC supported multiple actions by the Government of Canada, including hearings and Parliamentary debates. We rallied our communities and our supporters with frequent and massive rallies across Canada to demonstrate support to the Ukrainian people. Our community raised funds to provide humanitarian support to the peaceful protests on Maidan’s across the country including eastern and southern Ukraine.

February 26-March 3, 2014 – Paul Grod traveled again to Ukraine with Canada’s Foreign Minister John Baird and a small community delegation immediately after the revolution (February 20), the fleeing of Victor Yanukovich (Feb 22), and the election of Prime Minister Yatseniuk (February 27), in order to show support to the new Ukrainian government.

March 20-25, 2014 – PM Harper traveled with Paul Grod and a larger Ukrainian community delegation to Ukraine to demonstrate support for the new Ukrainian government. PM Harper’s Ukraine visit was immediately followed by his participation in the Nuclear Security Summit and G7 meeting in the Hague where he successfully advocated to remove Russia from G8.

March 24, 2014 – Paul Grod was named as the only non-government official of the 13 Canadians declared persona non grata by Russia.

June 7, 2014 – Paul Grod and Ukrainian World Congress (UWC) President Eugene Czolij attended President Poroshenko's Inauguration together with PM Harper. The following day, the UWC delegation is the first non-government delegation to meet the newly inaugurated President as a sign of respect by President Poroshenko for the international support the Ukrainian diaspora rallied for Ukraine and called on us to continue.

September 17, 2014 – President Poroshenko delivers an address to a joint session of Canada's House of Commons and Senate. UCC hosts roundtable discussion in Ottawa between President Poroshenko and community leaders.

September 18, 2014 – UCC and UWC Presidents attend President Poroshenko's address to the US Congress in Washington and participate in the signing of a partnership agreement between the Atlantic Council and the Ukrainian World Congress.

July 13, 2015 – PM Harper and PM Yatseniuk announce a Free Trade Agreement between Canada and Ukraine. UCC hosts PM Yatseniuk in Ottawa for meetings with community and business leaders.

Defending Ukraine against Russia's aggression

UCC's focus has been to ensure that Ukraine remains a top foreign policy priority for the Government of Canada, that Canada remain one of Ukraine's strongest international supporters and allies, and that Ukraine remain a country of focus for Canada's international development assistance.

UCC together with our member organizations worked closely with the Government of Canada to secure significant and ongoing support to the people and Government of Ukraine, including the provision of over \$700 million in low-interest loans; non-lethal military equipment; training of Ukrainian forces by CAF personnel; significant support for economic development, including small-and-medium enterprises, and humanitarian assistance.

With the Canada Ukraine Chamber of Commerce in the lead, UCC supported the successful Canada-Ukraine Business Forum, held on June 20, 2016 as part of the Canada-Ukraine Trade and Support Project. A large UCC delegation led by President Paul Grod accompanied Prime Minister Justin Trudeau to Ukraine in July, 2016 to participate in the signing of the historic Canada-Ukraine Free Trade Agreement, in order to play a significant role in ensuring its successful implementation.

Among UCC's key advocacy issues continues to be enhanced Ukrainian immigration to Canada and the removal of visa requirements for Ukrainian citizens visiting Canada.

Humanitarian Assistance to Ukraine

UCC's key partner in humanitarian projects in Ukraine is the Canada Ukraine Foundation (CUF) which the UCC founded over 20 years ago. As a result of an overwhelming outpouring of grassroots community engagement with Ukraine and a multitude of projects providing humanitarian assistance to Ukraine, UCC established the Ukraine Appeal. Together with major Ukrainian Canadian organizations delivering aid to Ukraine, the UCC Ukraine Appeal has been coordinating, promoting, prioritizing and maximizing the effectiveness of humanitarian aid from civil society groups from Canada to Ukraine.

In order to ensure UCC was best able to coordinate its humanitarian and other forms of support to Ukraine, we established the UCC Ukraine Advisory Council in order to best prioritize and coordinate our activities with those on the ground in Ukraine and to enhance the efforts of the Government of Canada. UCC also was a founding member of UWC's Council in Support of Ukraine, which is chaired by Paul Grod. The UWC Council coordinates political, humanitarian and economic support to Ukraine from 50 countries that are connected to the UWC. The UWC Chair for Humanitarian assistance was Dr. Ulana Suprun and was recently replaced, due to her joining the government of Ukraine as Minister of Health, by CUF President Victor Hetmanczuk.

National Advocacy

2015 Federal Elections

UCC surveyed Canada's four major political parties and all MP candidates ahead of the October 2015 federal election on issues of importance to our community. The UCC provided our community with the survey answers in order to ensure our community is well-informed about the positions of Canada's four major parties on key issues. We have been effectively utilizing these responses to ensure the Government of Canada keeps to its election commitments.

Government Consultations

UCC participated in four sets of Government of Canada 2016 Public Consultations, namely:

- Canadian Heritage – consultations on the Memorial to the Victims of Communism
- Defence – developed and presented a UCC brief and briefing paper for Canada's Defence Policy Review
- International Development – developed and presented a UCC brief and position paper for Canada's International Assistance Policy Review
- Immigration Policy Review – developed briefing notes for these reviews and participated in consultations with high-level representatives of the Government of Canada

Informing Parliamentarians

- UCC recently launched Project Link, linking representatives of our community with every Member of Parliament from each constituency coast to coast, to ensure that Canada's Members of Parliament are regularly briefed on issues of importance to our community and have an identifiable point person to inform and educate them about issues of importance to the Ukrainian Canadian community.
- Ukraine Crisis Daily Brief – UCC monitors and informs our community and decision makers in Canada about the ongoing Russian aggression in Ukraine and the response of the international community with its daily Ukraine Crisis Brief, bulletins, newsletters, and special issue announcements.

Government Briefings

- UCC representatives regularly meet with key Ministers and other Parliamentarians, government officials, and representatives of local, provincial and federal governments to ensure that they are well-informed about issues of importance to our community.
- Calls to Action – UCC regularly coordinates community response to events in Canada, Ukraine and around the world. Through timely call to action campaigns we ensure that our community leaders are informed of issues and encouraged to deliver these positions to policy makers.

Key Projects

Celebration 125 years of Ukrainians in Canada

UCC is coordinating the celebration of the 125th anniversary of Ukrainian immigration to Canada. A series of wonderful events, projects and programs have taken place across the country. They included the unveiling of a commemorative plaque and exhibition at the Pier 21 Immigration Museum in Halifax, many festivals, concerts and celebrations across Canada, culminating in Regina, during the XXVth Congress of Ukrainian Canadians.

75th Anniversary of the UCC

The Ukrainian Canadian Congress has served as the voice of Canada's Ukrainian community for 75 years. The Congress brings together under one umbrella all the national, provincial and local Ukrainian Canadian organizations. Together with its member organizations, the UCC has been leading, coordinating and representing the interests of one of Canada's largest ethnic communities for 75 years and instrumental in shaping Canada's social, economic and political landscape.

Holodomor Education

Holodomor National Awareness Tour - together with the Canada Ukraine Foundation, the Ukrainian Canadian Research and Documentation Centre and the Holodomor Research and Educational Consortium, we have launched the Holodomor National Awareness Tour, a state-of-the-art mobile classroom which is travelling the country to raise awareness and educate all Canadians about the Holodomor.

We have also ensured the continued recognition of and education about the Holodomor throughout Canada and have held annual commemorations of the Holodomor on Parliament Hill along with yearly Holodomor Awareness Weeks across the country. Working with Tribute to Liberty, we have secured a commitment from the Government of Canada and private donors to build a Memorial to the Victims of Communism in Ottawa's Parliamentary precinct.

WWI Internment

Ensured the continued recognition of and education about Canada's First National Internment Operations, and designated October 28 as National Internment Commemoration Day.

Black Ribbon Day

Together with the Central and Eastern European Council, participated in organizing annual Black Ribbon Day commemorations, in remembrance of the victims of the crimes of the Nazi and Soviet totalitarian regimes (August 23).

Hill 70 Memorial site in France

UCC together with other community organizations and private donors are supporting the Konowal Pathway at the Hill 70 Memorial site in France where Canadian Expeditionary Force during the First World War, fought in the Battle of Hill 70 in August 1917 where Filip Konowal earned his Victoria Cross. A new memorial will be inaugurated in April 2017 near Lens, on land provided by the French authorities.

Plans and Priorities

Strengthening our Grassroots

UCC will focus on the Cradle-to-Grave Initiative, providing valuable services to our community, concentrating particularly on new immigrants and smaller Ukrainian Canadian centres. A new UCC branch was opened in Halifax-Dartmouth, and the UCC is working on establishing new branches in several places throughout the country.

Youth Engagement

UCC will revive the UCC Parliamentary Internship Program, where recent Ukrainian Canadian graduates can gain valuable political and professional experience and get a head start on their careers. UCC will engage our Advisory Councils and work with our member organizations such as the P's and B's and CUCC to promote entrepreneurship and opportunities in business for young members of our community through mentorship and programs. UCC will promote opportunities in academia by working with the Canadian Institute of Ukrainian Studies (CIUS) and our member organizations. The Ukrainian Canadian Students' Union (SUSK) and the UCC recently appointed a National Coordinator, who will work to ensure successful implementation of youth engagement initiatives of both SUSK and the UCC.

Sustainable financing

In order to support the many important initiatives, programs and projects of our Committees, the UCC will work to significantly increase our donations and build an endowment to support our community for future generations.

Supporting the people of Ukraine

In addition to devoting considerable efforts to assisting the people of Ukraine in their brave struggle to defend their country against Russia's invasion, we will continue to work with the Governments of Canada and Ukraine on supporting the wide-ranging reform efforts underway in Ukraine, including increasing the capacity of Ukraine's burgeoning civil society, supporting economic development, humanitarian support, and Euro-Atlantic integration.

Government of Ukraine reforms

UCC will continue to leverage the good-will and relationship it has established with government and non-government organizations, in both Canada and Ukraine, as well as leverage the human resources of our community, to assist with the much needed reforms in Ukraine.

Building larger coalitions

Continuing our work with the Ukrainian World Congress and its member organizations to build capacity in those organizations and communities around the world to support Ukraine and those communities; Continue to engage with ethnocultural groups such as the Canadian Central and Eastern European Council, Canadian Ethnocultural Council; continue to develop working relationships with think tanks and policy institutes such as Atlantic Council, Halifax International Security Forum, among others. By doing so, UCC will continue to play a major role in shaping policy issues both in Canada and around the world.

Ukrainian Education in Canada

The UCC, in cooperation with the UWC and the Ministry of Education of Ukraine, intends to develop innovative ways to provide Ukrainian Education across Canada, in particular in underserved areas with smaller or less developed communities

Holodomor Awareness and Education

We will continue our work to ensure that the Holodomor is included in curricula across Canada, and on increasing awareness about the Holodomor in the general public in Canada. The major project we hope to see through to completion by 2018 is the erection of a Memorial to the Victims of Communism in our Nation's Capital.

CMHR

The UCC will continue to work with the leadership of the Canadian Museum for Human Rights (CMHR), the Government of Canada and key stakeholders to ensure that the CMHR properly present key human rights stories important to our community – including a permanent Holodomor Gallery and a permanent exhibit of Canada's First National Internment Operations.

Recognition and Appointments

UCC will work to facilitate appointments of qualified members of community to serve on various government and non-government boards, agencies and organizations. We will support a comprehensive and systemic approach for recognition of deserving community leaders.

150th Anniversary of Confederation

The UCC will merge its 125th anniversary of immigration celebrations into Canada's 150th Anniversary of Confederation to ensure that our community is well-represented as a founding people of Canada in celebrations of Canada's 150th.
