DONOR REPORT

2022
2025

Message from Demyan Hyworon, Chair, UCC Charitable and Educational Trust

The Ukrainian Canadian Congress Charitable and Educational Trust supports programming through UCC committees, branches and provincial councils. We are privileged to support the work of so many dedicated volunteers – who carry out successful programs on community development, culture and the arts, and cross-cultural connections.

In this time when our Ukrainian Canadian community is focused on supporting the Ukrainian people and their heroic defence of their country and freedom in Europe, it is more important than ever that our community is strong and united and has the resources to fulfill vital projects and programs.

We are immensely proud of our new Youth Ambassador program. This new national initiative is designed to engage and empower young leaders within the Ukrainian Canadian community. Through mentorship, leadership development, and community involvement, Youth Ambassadors serve as advocates for Ukrainian heritage, culture, and contemporary issues.

From hundreds of applications, we selected 22 participants in 2024, and 16 for 2025. Participants contribute to community projects, represent youth perspectives at events, and help build bridges between generations. The program fosters civic engagement and provides opportunities for youth to develop skills in advocacy, public speaking, and organizational leadership.

I would like to thank my fellow Trustees Walter Dlugosh and Christine Czoli for their commitment, professionalism and conscientiousness. Thank you to the thousands of volunteers across the country that commit their time and effort to our wonderful community. Thank you to the many generous donors whose support ensures that our community remains strong, united and connected.

I am pleased to present to the XXVIII Triennial Congress of Ukrainian Canadians the financial highlights of the UCC Charitable and Educational Trust. I wish all delegates a successful and fruitful Triennial Congress!

Ukrainian Canadian Parliamentary Internship Program

2024 intern: Andrii Hrynko

The Ukrainian Canadian community wants to continue to play a significant role in shaping Canada's political landscape and policies for decades to come. The UCC Charitable & Education Trust established a paid internship program in Ottawa with Members of Parliament, where interns work on policy research, communications, legislative affairs and constituency work, and learn firsthand about Canada's Parliament and all aspects of the legislative and governmental process.

The Parliamentary Internship Program was re-established in 2017 by the UCC Charitable & Education Trust, thanks to the generous support of the Ukrainian National Federation of Canada, including training by the Paul Yuzyk Institute for Youth Leadership, and many individual donors.

The renewal of the Parliamentary Internship Program by the UCC Charitable & Educational Trust was made possible through the generous support of major donors, including the Shevchenko Foundation Ukrainian Canadian Veterans Fund, the Ukrainian National Federation and the Ukrainian Credit Union Ltd. We also sincerely thank and recognize the generous support of Paul & Adrianna Grod, Oleh & Bozhena Iwanusiw and many other individual donors. For the full list of supporters of the Parliamentary Internship Program, please see our website.

The alumni of the program can be found on our website: www.ucc.ca

Current intern: Valeriia Gusieva

Youth Ambassadors Program

The Youth Ambassadors Program empowers young leaders across Canada to make a meaningful impact in their communities and beyond, aligning with the UCC's three pillars: Growing our Community, Celebrating and Advancing our Ukrainian Canadian Identity, and Supporting Ukraine.

Through leadership development, participants strengthen their abilities via workshops, interactive sessions, and mentorship from established community leaders. Comprehensive skills training will enhance their knowledge in areas such as fundraising, policy development, project management, ethics, and inclusion.

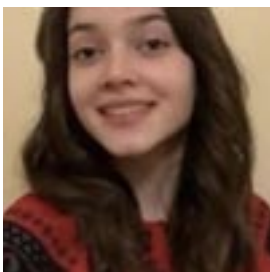

The program also promotes peer networking, connecting youth from diverse regions to collaborate, share experiences, and build a strong nationwide network. Participants will also engage directly with UCC member organizations, contributing to community initiatives and gaining real-world experience in civic leadership.

The Ukrainian Canadian Congress Charitable and Educational Trust is proud to announce the second cohort of the Youth Ambassadors program. The selected Youth Ambassadors represent a diverse range of backgrounds, experiences, and talents, reflecting the rich tapestry of Canada's Ukrainian community. For more info: www.ucc.ca
